

HOMEMADE PLAYDOUGH

To make 2 cups of playdough salt dough you will need:

- 1 cup of all-purpose flour
- 1/2 a cup of salt*
- 1/2 a cup of warm water
- 2 tbsp oil, optional (anything you have, it makes the dough smoother)

Method:

Simply combine all the ingredients until you have a smooth dough, that you can easily shape into a ball.

*You can also add a couple of tbsp. of cream of tartar or white vinegar as a preservative, which keeps your dough smoother for longer.

You can make all sort of small objects with your playdough. Use spices, coco powder or beetroot cooking water to colour your playdough and add essential oils or herbs and flowers for a lovely sent.

Just shape your creations and air dry for a day or bake at 100.C for 1h larger pieces.
